Dear HARP Hero,

**Thank you for signing up to be a HARP Hero to help local people overcome homelessness for good.**

You've taken the first step to help local people to overcome homelessness for good by signing up for your fundraising pack, and we're here to support you every step of the way on your fundraising journey.

We hope that this fundraising pack provides everything you need, including inspirational ideas from other HARP Heroes, tips and tricks to organise a great event, and your very own fundometer to track your progress. We've also provided the resources to help you collect your sponsorship money and send it to us so we can put it to good work.

If you've got any questions that aren't answered in this pack, you want some extra fundraising kit, or just need some advice, our fantastic team are just a click away. You can contact us by email at [supportercare@harpsouthend.org.uk](mailto:supportercare@harpsouthend.org.uk) or via the online chat support service on our website: [www.harpsouthend.org.uk](http://www.harpsouthend.org.uk).

As Southend's leading homelessness charity, we're dedicated to changing lives by providing housing, advice and support to local people trying to escape or avoid homelessness. From helping local people to avoid losing their home, to providing housing to over, 220 people who might otherwise be on the street and helping them to find a permanent home, right through to helping people rough sleeping in Southend to find their feet again, we couldn't do it without the support of people like you.

Whether you host a coffee morning, afternoon tea or quiz night, take on a physical challenge, or join our annual sponsored Sleep Out, you'll be joining a community of supporters who are on a mission to make a difference in our town.

Please do have a look through your fundraising pack, be inspired by other HARP Heroes, and start planning for your fundraiser – big or small. If you're posting about your event online, remember to tag HARP and use the hashtag #HARPSouthend. We can't wait to see the brilliant things you do in solidarity with local homeless people!

**Let's do this together!**

There's no time to lose. Local people's homes are under threat and people find themselves on the street every day, which means every day counts in the fight against homelessness. Thank you again for choosing to fundraise for this life-saving work, helping people to avoid or escape life on the streets.
